#### **3. Chairperson's report**

ES thanked everyone for supporting the community council since it was reformed in September last year. It has been tough reforming during a pandemic but having the meetings online has allowed more members of the public to join in and made it easier for people to attend. The council has been finding its feet over the past nine months and due to the pandemic it took longer to get control of the bank account. However since gaining access to the bank account we have started to apply for grants and will apply for funding in the coming year. Special thanks goes to Thrumster Community Development Association for providing COVID resilience support to the community during the two lockdowns.

#### **4. Treasurer's report**

Please see appendix one for the accounts. HF proposed, ES seconded.
